

CAPABILITY STATEMENT

SYNOPSIS

Themis, a trusted leader in Janitorial Services with expertise in Food, Hospitals, Cruise Ships, and Construction Properties. We prioritize hygiene, safety, and customer satisfaction. In the Food sector, we meet stringent health standards, while in Hospitals, we focus on infection control. For the Cruise industry, our efficiency shines through, and in Construction Properties, we ensure the job is done right the first time.

Count on us for comprehensive Janitorial Services that deliver excellence, reliability, and customer satisfaction.

CORE COMPETENCIES

- Professional and thorough cleaning using the best practices and products
- Detail oriented service with speedy and effective turnaround.
- Safety is our priority by using the latest cleaning technologies and innovations

DIFFERENTIATION

- Personalized service to fit our clients specific needs and requirements based on our established industry expertise
- Our disinfectant is an Advanced EPA Registered Detergent/Disinfectant designed to provide effective cleaning, sanitation, disinfection and mold prevention
- 24/7/365 response
- Fully licensed, bonded and insured
- Meticulous attention to details

PAST PERFORMANCE

We have been exclusive disinfection providers for Lincoln Harris CSG at the Aventura Hospital since 2016, and the City of North Miami Beach and Miami Dade County public schools since 2020.

In the cruise industry, we are the preferred chemical provider for Carnival Corporation (100+ ships) and Grimaldi Group (130+ ships).
